SEASON-LONG ECLECTIC COMPETITION OPPORTUNITIES

Eclectic:

Birdies - \$3

Chip-Ins - \$3

Eclectic - \$3 (*best score for 18 holes/9 holes over the season*)

Put your money in an envelope with your name on it, specify the competition(s) you are entering and the amount enclosed, and *give it to Karen Winter, Eclectic competition captain*. You do not need to participate in every competition. Qualifying dates are March 4 through October 21.

Hole in One:

Must be a current club member and have paid \$5 to the pot; the event must be attested by a fellow golfer but does not have to be by a ladies' club member; it doesn't have to be played on Wednesdays; the round must be played at Veteran's Memorial Golf Course. *\$5 payable each year to Heidy Wiese, Treasurer*. Qualifying dates are March 4 through October 28.

WEEKLY COMPETITION

- Sign up for weekly games on the game day scoresheet.
- \$2 per week/game (*put money in the women's club lockbox*).
- Play the weekly round or game; turn in your attested and complete scorecard to the game captain. If she's unavailable, leave in the women's club lockbox to be picked up before results are tallied.
- Winnings are paid in cash; payout envelopes can be given to players.
- Blind draw pairings may occur the last week of each month starting in April with a scramble game format; groups will be decided the day of play—get there early to find out which group you're in.
- For all weekly games, record your true score on our game sheet; adjusted score is for GHIN.

MONTHLY GAME CAPTAIN DUTIES

For 18- and 9-hole play

- Make sure the Pro Shop knows the starting tee time for the month.
- View the club's online sign-up sheet to know how many groups to reserve on the VMGC online tee time system.
- Send the groups out to the tee based on their signup position (*18-hole players first, 9-hole players second*), trying to honor pairing requests.
- Afterwards, record the game scores on the game scoresheet, recording either 18/9 gross and net scores for Sweeps, or use the "other" score box depending on the game.
- Tally the money, dividing it between 18 and 9-hole participants.
- Determine the winners and allocate the prize pot in a fair manner so the money gets distributed; put money into payout envelopes and write the winner's name on it.
- Record the results on the scoresheet and post a photo of the scoresheet on the club's member website. Be sure to include any chip-ins, birdies, or other brag-worthy news!
- Leave the weekly signup-results sheets and completed scorecards in the lockbox—Iona will pick them up later.
- For blind draw pairings, choose pairings the day of play using numbered tees.

LET'S PLAY READY GOLF!

ON THE TEE:

1. **On our first hole (#1), don't tee off until the group in front of you is on the green.**
2. Shorter distance hitters should hit first; if not, the first player who is ready should hit.
3. Tee off as soon as the group ahead is clear.
4. Carry an extra golf ball in case you need to hit a provisional ball.

ON THE FAIRWAY:

- Take several clubs to your ball and hit without delay.
- **Hit when ready; do not wait for honors.**
- Watch your ball.
- Drop off your cart partner then drive to your own ball.
- Limit practice swings.
- Limit search for lost balls to 3 minutes.
- **Pick up when you reach net double bogey.**

ON THE GREEN:

- Park your cart/clubs **behind the green** in the direction of the next tee box.
- Study your putt while others are putting out.
- Continue putting until you hole out.
- First one in, gets the pin; if your group is lagging, the first two players who finish putting should head to the next tee box.
- **Mark scores on the next tee box.**

IN GENERAL:

- **Keep pace with the group ahead. Be ready to hit when it's your turn.**
